

March 12th, 2018 - TIMIT is honored to announce our new Scholarship Management Application Project for the Stephen Burton Memorial Educational Fund. Sponsored by the American Business Women's Association (ABWA), the SBMEF Scholarship Management Application easily, accurately and efficiently manages

- ✓ National Scholarships
- ✓ Outright Grant Scholarships
- ✓ Impact Scholarships
- ✓ Business Skill Tuition Reimbursement

to assist women pursuing advanced educational goals enabling them to achieve business and professional success. This application assists the AWBA who strive to maximize funding to provide hundreds of American women with financial assistance to attend college, trade school and professional development.

## About SBMEF:

“The Stephen Bufton Memorial Educational Fund (SBMEF) is one of the country's most highly respected grant and scholarship funds for women. SBMEF has been supporting businesswomen for more than 50 years. The fund assists women pursuing advanced educational goals enabling them to achieve business and professional success.

The National Board of Directors of the American Business Women's Association (ABWA) serve as the SBMEF trustee's, overseeing the funds administration. Each year the trustees strive to maximize funding to provide hundreds of American women with financial assistance to attend college, trade school and professional development.

The Key to SBMEF is the energy and commitment of ABWA members who sponsor applicants, make contributions, and raise money to champion the important mission of this fund.”

**The Stephen Bufton Memorial Educational Fund exists to provide educational grants and scholarships to women pursuing post secondary educational goals as well as ongoing professional development in order to support their career advancement and to help them become the role models, mentors and leaders of the future.** -- <https://www.sbmeff.org/Site/index.cfm>

## About TIMIT:

Family owned since 2011 and recently certified as WOSB (women owned small business) since 2017 we leverage our unique backgrounds and experiences to bring our IT solutions full circle. Custom software is our niche and allows businesses and organizations like SBMEF to create an application that works best for all its users. Flexibility, design, and uniqueness make a custom solution more desirable. You are able to meet every requirement that you had outlined and offer a competitive advantage over your competitors - it's something they don't have.
